

WINTER SEASONAL HELP WANTED
Town of Hollis
Department of Public Works

The Town of Hollis is currently seeking a qualified candidate for the position of Seasonal Operator (Truck Driver/Plow Operator). This position performs seasonal work supporting winter operations from December 4th, 2017 to March 30th, 2018 in the Department of Public Works and must be on-call during this time and may include periodic nighttime work. Duties include but are not limited to the following: operates heavy and light trucks, with or without attachments such as plows, sanders and chemical spreaders for removing and/or hauling debris, snow, ice, etc. from public property and transporting materials; self-loads trucks with a 3 cubic yard front end loader; performs shoveling, raking, hand sweeping, digging, etc. required to provide support for infrastructure maintenance; load and unloads trucks, performs pavement patching, snow and ice removal and operates a variety of hand held power tools. Performs walk around inspections on assigned equipment and preventive maintenance tasks such as greasing, fluid top offs, etc.

A CDL license is helpful but not required. Applicant must be at least 18 years old and possess a valid New Hampshire Driver's License with a clean driving record. Position requires person to be able to perform physical labor under demanding environmental conditions. All employees are subject to pre-employment physicals, background checks, drug and alcohol testing. This position will not offer any benefits and will remain open until filled.

Interested candidates should obtain an Application for Employment at the Town of Hollis DPW office, 10 Muzzey Road, Hollis, NH 03049 between the hours of 7:30 am and 3:30 pm Monday through Friday. Hourly wage rate is between \$17.00 and \$20.00 depending on qualifications and experience. Familiarity with the Town of Hollis area roads will be considered an advantage.
