Produce and script your own plays based on a futuristic story called “How Peace was Found Again”, about courageous young teenagers who fight to rebuild their devastated world and discover what really matters in life. Have fun with other heroes like Roald Dahl’s daring and passionate girl who, with her “magic finger”, stands up for her beliefs causing a lot of trouble and teaching a lot of life lessons. Laugh with three strong minded Japanese women who teach some unsuspecting young men how to win the Emperor’s wrestling competition.

Learn stage craft, characterization and create your own production. Warm up with theater games and improvisation.

**Tales of Courage from around the World.** - 7 to 11 year olds

**5:00pm to 6:30pm. Price \$170.**

Students will be captivated by storytelling at its best. Act out a different drama and character every week –

- ) A smart and resourceful Princess Guinevere who saves her Kingdom, fighting Dragons, Wolves and Evil.
- ) The “Talented Toad” who discovers he can fight bullies with his courage and talent for singing.
- ) Superman and Bat woman protecting New York city from villains and thieves.

The children will turn these beautiful stories into plays and explore new realms of their imagination with music, movement and poetry. They will present a show in the last lesson.

# LIGHTS UP DRAMA SCHOOL

## The Philosophy

"I believe drama should be an integral part of a child's education, and I am involved with the workings of the imagination and the craft of communication. Drama is so much more than theater, which deals with a performance and an audience. I have seen so many workshops in which the production is more important than the child's development. I am concerned with providing opportunities for invention and expression, with an understanding of human situation and behavior through movement and speech; with a bringing to life - in a way that adds to personal experience. Drama cannot be separated from the arts - music, movement, speech and song, the visual arts, poetry, technical skills, history and literature, especially storytelling. Drama is vital to all life skills!"

## Aims and Objectives.

1. To stimulate the pupils imagination and to extend their creative awareness.
2. To develop the skills required for efficient communication, both audible and visual.
3. To liberate pupils from self-consciousness in order to develop their whole personality, physically, emotionally, and intellectually.
4. To develop the pupil's concentration.
5. To intensify their awareness of people and things around them.
6. To impart some knowledge and appreciation of the history and the practice of drama and the theater.

To do all this in a homely atmosphere of comfort and fun.
